## Carr Valley 10yr Aged Cheddar

Firm, dense, creamy and intoxicating - this cheddar will wow your socks off. A very elegant cheddar that has been enriched with careful aging by a Wisconsin Master Cheesemaker. The extended aging on this cheese allows deep flavors to come through as the cheese melts in your mouth. The finish is long and leaves you with the naturally forming little crunchy crystals so many people love in aged cheeses.

This cheese is available at Spec's Texas Superstore location, 2410 Smith Street.
