Monthly Specials:

Valid 3/1 thru 4/3/10

Santa Carolina Reserva Cabernet Sauvignon, Chardonnay or Merlot 750 ml.

Cabernet: The wine is an intense, bright ruby red color. Its aromas recall ripe red fruits combined with spicy notes. Medium-bodied with good structure on the palate, the wine has silky ripe tannins and a very persistent finish.

Chardonnay: Owns a bright gold/yellow color. It features an intense combination of fruity aromas such as pear, figs, pineapple and bananas. On the palate, this fruity, fresh and well-balanced wine features ripe tropical fruit and a soft, mild buttery texture, with hints of vanilla and toffee.

Merlot: Cassis, red plum and carob characterize the full nose, while the palate runs a little milky and soft. But it's also endowed with saturated berry flavors that improve as it opens. Typical of the variety, there's some herbal, green character on the finish. But with good size, structure and drive, the wine represents Chilean Carmenère in a positive light.

90 pts Wine Enthusiast: For a Reserva de Familia Cabernet Sauvignon 2007 and one of the best Cabernets (Patricio Tapia) from Alto Maipo: the best terroir for Cabernet Sauvignon in Chile.

Food Pairing Suggestions:

Pastas, red meats, pork and cheese. Serve at 18°C (64°F).

ABSOLUT Vodka 80° 750 ml.

ABSOLUT VODKA is made exclusively from natural ingredients, and unlike other vodkas, it doesn't contain any added sugar. In fact ABSOLUT is as pure as vodka can be. Still, that purity has a certain taste: Rich, full-bodied and complex, yet smooth and mellow with a distinct character of grain, followed by a hint of dried fruit.

The main ingredients in ABSOLUT VODKA are water and winter wheat. The water comes from a deep well in Åhus where it's protected from impurities. Winter wheat differs from other crops: it's sown in fall, and harvested the next one. Days in between it grows under the Swedish snow developing its hard grain. Also, the use of fertilizers is minimized.

Being so pure, why drink ABSOLUT VODKA any other way than it is? In fact, there's a good reason why: the purer the vodka, the better it blends with other aromas meaning ABSOLUT VODKA brings out the best in other tastes too.

Andre Lurton Chateau Bonnet Blanc 750 ml.

Brilliant, green, gold. Intense aromas of fresh exotic fruits, grapefruits and box tree. Very typical Sauvignon. Intense aroma on palate. Muscat notes, fresh and lively finish with good length.

Spec's is not responsible for mis-prints or typographical errors. All customers must be at least 21 years old. Some items not available at all locations.

Baileys Irish Cream Original, Mint Chocolate Chip, Caramel or Coffee 34° 750 ml.

Baileys is the result of a remarkable recipe combining the finest ingredients with just the right amount of Celtic charm. First, it starts with dairy cream. Only Irish milk from accredited farms is used. This milk comes from 40,000 cows, fed a diet of four different types of grass. Their cream is delivered daily and processed

within 36 hours of the milking process. Next, the cream is blended with triple distilled Irish whiskey, using a special technique that results in the cream being preserved using whiskey alone. The result is a truly memorable drink.

Firefly Original Sweet Tea Vodka and all flavors 1.75 L.

THE ORIGINAL SWEET TEA!

Created in a small still on Wadmalaw Island, South Carolina, Firefly became the world's first hand-crafted sweet tea vodka. Keeping true to its southern roots, Firefly is distilled four times, infused with tea grown on a plantation five miles from the distillery and blended with real Louisiana sugar cane. It tastes just like real sweet tea, but

with an even sweeter kick! Imitators try to achieve the taste of the tea with artificial flavors and you will instantly know the difference with one sip. The real stuff just tastes better!

Gloria Ferrer Pinot Noir 750 ml.

Made from seven distinct Pinot Noir clones this wine showcases the diversity of our estate vineyard. There are flavors of ripe cherry, and berry fruit with hints of smoke, bacon and earth that lead to long silky mouthfeel.

Delicious with seared tuna, duck breast with cherry compote, wild mushroom risotto or grilled Sockeye salmon. Seasoning affinities include orange peel, shaved fennel and dried berries. Look to Fontina, Tommes de Savoie or a Manchego for the cheese course.

In 1991, inspired by the quality and character of our estate fruit, we began crafting still wines from Chardonnay and Pinot Noir. In subsequent years, our winegrowing team meticulously matched dozens of clones to the diverse growing conditions in our estate vineyards with their sights on the highest quality grapes with ore intense flavors and characteristics. As pioneers of sparkling wine-based clonal research, we have studied more than 40 different clones to date. Today, this longtime and dynamic relationship of

discovery with the land is revealed in balanced wines of earth and opulence.

Gloria Ferrer is located in the picturesque Sonoma Carneros region, 40 miles northwest of San Francisco.

Hendrick's is an iconoclastically produced small batch gin distilled in Ayrshire, Scotland. HOB NOB Chardonnay, Merlot, Cabernet or Pinot Noir 750 ml.

HOB NOB wine is produced in a "new-world winemaking style" and is "approachable, contemporary and fun." This California-sounding and looking wine is actually a product of France. From the first

glance, you know you're in for something different! It's inviting not intimidating; casual not formal; modern not old-fashioned.

Jameson Irish Whiskey 80° 750 ml.

The fastest growing and leading Irish whiskey. The flavor is rounded and smooth with additional spicy, toasted wood notes and a lingering crispness. A very clean tasting whiskey that is great by itself, or blended with your favorite mixer.

"A superb Irish for everyday drinking. I love this."

Rated: 8 Michael Jackson, Whisky magazine.

Jameson and Cranberry

The natural tartness of cranberry juice works as a magnificent foil to the succulent sweetness of Jameson on the palate. On the nose and on the palate, Jameson has notes of candied orange peel that also combine well with the cranberry. A squeeze of fresh lime and tangerine or Clementine make this a truly wonderful drink, with echoes of Christmas, but still refreshing on a summers evening. For a richer, fruitier drink try adding half cranberry and half pomegranate juice.

The Perfect Jameson and Cranberry

- * 1 part Jameson
- * 2 parts cranberry juice
- * Wedge of fresh lime
- * Wedge of fresh tangerine

Pour the Jameson into a highball glass. Add the ice and top up with cranberry juice. Squeeze in the wedges of lime and tangerine. Then stir to mix.

Jim Beam White Label Kentucky Bourbon 80° 1.75 L.

When Jacob Beam cooked up his first batch of bourbon back in 1795, debts were settled with duels. The American Dream was still taking shape. And you added more horsepower by, well, adding another horse.

A lot has changed over the past 213 years. But here at Jim Beam®, we're proud to say that things have remained more or less the same. We've spent all that time painstakingly and passionately perfecting Kentucky Straight Bourbon Whiskey. We're proud that the world's finest bourbon is still made by the same family, pretty much the same way. That's how it's been for seven generations.

Which is not to say we're stuck in the past. We've added to Jacob's first creation—now known as Jim Beam Bourbon—by crafting a whole family of bourbons. Some are aged longer to add a little more character and complexity. One of our whiskeys is filtered through charcoal for a more rounded and mature taste. Another offers a spicy rye flavor. And a few are made in small batches, the way bourbon used to be made. They can be light and delicate. Creamy and elegant.

Smooth. Balanced. Chewy. Crisp. In fact, we're convinced there's a bourbon for everyone.

Ketel One Vodka 80° 1.75 L.

Produced by the 11th generation to run this family-owned distillery in Holland, Ketel One is made from the finest wheat using a 150 year old copper potstill. Only the heart of the distillate is used (the first and last 100 gallons are discarded). The original ultra-premium vodka, it meets the world's highest quality standards for smoothness, purity and taste.

Kunde Estate Cabernet Sauvignon, Merlot or Chardonnay 750 ml.

Cabernet: It's deep ruby color immediately tells you this is one to take seriously. Black cherry scents are followed by rich, mouth-filling flavors of blackberries and dark chocolate, with just a touch of chalky tannins at the end to tell you it's still a youngster.

Merlot: Striking a wonderful balance between fruit and oak, it is a complex and concentrated wine with a supple core of ripe cherry and plum fruit that is accented by toasty oak, vanilla and butterscotch. Its silky texture is highlighted on its lengthy, focused finish.

Chardonnay: Characterized by delightful floral aromas, bright lemon-drop acidity, and a rich, concentrated palate loaded with fruit. The lingering tastes of butterscotch, caramel and vanilla underscore but do not overwhelm the essential Chardonnay character.
