SPEC'S Cheese of the Week

Crème de Saint Agur

This is a spreadable version of the famous Saint Agur blue cheese from the village of Monts du Velay in the Auvergne region of France. Enriched with cream to become a double-cream cheese, Crème de St. Agur is moist and rich with a smooth, creamy texture and a subtle mild spicy taste. It is not as salty as more traditional blue cheese, and its tangy and creamy nature are balanced so as not to overpower with too sharp a bite. 5.25oz
