SPEC'S Cheese of the Week

Montegrappa

Produced by a cooperative of farmers from the Veneto region close to the Grappa mountain (hence the name) this cheese comes from the same area as Asiago but exhibits a different flavor: nutty with a sweet finish and a texture of cheddar. Aged at least 8 to 12 months, Montegrappa is great with fruit, cubed with salads, melted on bread and of course with a good glass of red wine.

\$10.99 lb. cash
