SPEC'S Cheese of the Week

Flor da Estrella

These rare Portuguese gems come from the Azore islands. The lush, windswept pastures support a rich farming tradition. The artisanal Flor da Estrella cheese are made from pasteurized cow's milk in small 2-3 pound wheels. They are then aged for at least two months, allowing the interior paste to become supple and creamy with an appealing straw-colored paste. Delicious with honey and walnuts.

\$9.99 lb. cash
