# Spanish Wine Garage Sale!

by Collin Williams

Now is the time of year that customers everywhere can see amazing sales on nearly everything. Luckily for us in Texas, that includes alcohol.

Also, as we in the retail business begin to prepare for the next year, we strive to reduce our current inventory. It is our hope that by offering great values on a wide range of wines, we can sell through to make room for the new and different products to come.

Following is a listing of some great values from Spain at amazing discounts and prices. Please take a gander at our "Spanish Garage Sale" list. We are confident there will be a few that peak your interest. Just remember, inventories are limited and may not be available at all stores. First come, first served!
