Wines worth looking “For” by Collin Williams

Spectacular
Savings!

Everybody loves a great deal. At Spec's, we're in the same boat. With so many wines out in the market these days and more coming, many of our vendors and

suppliers are looking for ways to make their wines more relevant to the casual, everyday consumer. It is our goal to seek out these deals, find the best examples of quality wine in the market, and bring you amazing wine pricing that is sure to whet your appetite. Hence, the “Two/Three Fors” deals.

We have found that the “Two Fors” and “Three Fors” are great ways to buy the wines you love and share them with friends at gatherings. Also, these types of specials are excellent opportunities to stock up for a week or month while the price is right!

So, this week's column is dedicated to highlighting a few recent specials we put together in order to get you excited for the upcoming football/holiday/end of summer parties and get-togethers. Enjoy!

Redwood Creek 1.5L - *Special 2 for \$15.99*
Included are: Cabernet Sauvignon, Malbec, Chardonnay, Merlot, Pinot Noir, Pinot Grigio, and Sauvignon Blanc

Redwood Creek Wines are rich, flavorful, and satisfy a taste for adventure. Winemaker Cal Dennison and Sean Hails have crafted a portfolio of nine, food-friendly, single-varietal wines to consistently deliver outstanding quality at an attractive price.

Rene Barbier 1.5L - *Special 2 for \$12 Bucks!*
Included are: Mediterranean Tinto and Blanco

Mediterranean Tinto – Red color with aromas of wild berries and slight hints of vanilla. Soft on the palate with medium tannins and licorice notes on the finish.

Mediterranean Blanco – Lemony yellow in color with elegant greenish tones. Intense aromas of mainly apple and pineapple with a light citrus background. In the mouth it is fresh and tasty with a light acidity and balance.

Ste Genevieve 750ml - *Special 3 for \$10 Bucks*
Included are: Sweet Moscato, Chardonnay, Cabernet Sauvignon, Merlot, and Malbec

Ste. Genevieve is the largest Texas winery and considered one of the fastest growing in the US. These wines are great for your larger parties and outdoor/barbeque gatherings as they appeal to a large base of wine preferences and flavor profiles. 🍷
